

## PROGRAM REQUIREMENT WORKSHEET

### BACHELOR OF DESIGN: INDUSTRIAL DESIGN MAJOR, 120 CREDITS

Students beginning first year in 2024

- Currently enrolled students should consult their Program Evaluation through myEC for the most up-to-date information.
- Course Load: Maximum of 12 credits of studio courses per semester. Maximum of 18 credits overall per semester.
- If a course is indicated in a specific semester it may not be offered in another semester. i.e. MHIS 205 is only offered in Fall, MHIS 206 is only offered in Spring.
- Courses are either 3 or 6 credits as indicated by the bracketed number after the course.

| FOUNDATION – 30 CREDITS                                                                                                                                                                                 |                                                                                                                                                      |                                                                                                                                                                                                                                                                                                                                                                                                                      |
